The Builder of Koffia has asked for time to submit his report owing to incessant rain which do not permit him to move about for the purpose of ascertaining such cases. It is stated that some of the streams are unfordable at present. He has however been directed to expedite the work.

The only cases remaining for disposal in Industgere Sabuk are those reported to Government in this Office no. 402 of 5th November 1891.

The Kadun Sabuk has a few cases in which lands have been taken up for Channels, roads, &c., and which remain to be paid for after determining the extent, viz, by regular measurement.

The matter will be attended to without unnecessary delay
